

Jill's Dance Studio Tuition and Payment Policies

Class Fees are due on the first of every month. After the fifteenth of the month a \$10.00 late fee will be added. There will be a \$20.00 fee on all NSF checks. Each student's tuition must be paid in full monthly regardless of attendance (except in cases of medical emergencies and injuries). Dancers pay a flat monthly rate although the calendar may sometimes give dancers extra classes. This offsets classes missed due to holidays. Class Fees are as follows:

2008-2009 Dance Classes

1 class per week	\$40.00 per month
2 classes per week	\$70.00 per month
3 classes per week	\$100.00 per month
4 classes per week	\$130.00 per month
5 classes per week	\$160.00 per month
6 classes per week	\$190.00 per month

Each class is one hour per week with the exception of Million Dollar Babies & Creative Movement. These classes are 45 minutes long and there will be an additional \$5.00 discount per month.

Class fees are calculated by the number of classes taken each week. Take an additional \$10.00 off per additional family member per month.

There is a \$40.00 annual registration fee per family/ \$30.00 per single dancer. This registration fee covers the cost of liability insurance and recital costs.

Our program runs consecutively from September through May. Jill's Dance Studio does offer summer dance programs from June through August. Students will be automatically enrolled each month unless we receive a written notice of withdrawal thirty days prior to the student no longer attending our studio. Students will **not** be automatically enrolled for the summer.
