

## Recital Rules and Regulations

For all of Jill's Dance Studio dancers, parents and instructors. This form must be turned in with your registration. These rules have been created and will be enforced prior to and during the performance. This will help the performance run smoothly and efficiently.

1. Only one dancer will be allowed to use the restroom at a time. This includes the children with their parents.
2. Only use the downstairs restroom. (This is the rule of the school. We are allowed to use the auditorium based on following their conditions.)
3. All dancers need to be by their assigned area or watching the movie.
4. One child at a time will be allowed to use the water fountain.
5. Dancers are only allowed in the hallway if they are being transported to/from the stage and to use the bathroom and get a drink of water.
6. The dancers are not allowed up in the commons area of the High School at anytime during the performance.
7. If you take your child after he or she completes all of their performances, then they will not be allowed back into the dressing area during the recital or to take the final bow on stage.
8. All older dancers need to be responsible for their own costume changes and when they will be dancing.
9. Each dancer is responsible for picking up their own trash
10. Be respectful of the property in the backroom area. Do not touch, use or play with anything that is not your own.
11. Do not sit on anything besides the floor and chairs.

These rules are necessary to keep the noise level down behind the stage. Remember all noise can be heard by the audience. All of your children have worked hard this year to create a great recital for you and your family to enjoy. You may send a snack with your child if you feel he/she will get hungry.

**Please note: Parents coming in and out of the dressing room/backroom are distracting to the dancers and the people trying to make this recital a success. There will be people available in the area that are willing and able to help all of the dancers with their costume and hair changes.**
