

Where to Buy Shoes

Dance shoes can only be ordered online. Occasionally, ballet and tap shoes can be found at Target, Payless or Walmart in Casper but this seems to be a hit or miss. Jill's Dance Studio is now selling dance shoes by Revolution Dancewear. At this time we do have shoe sizes in stock so your child can be fitted at the studio and then orders can be placed by the dance studio. This is extremely convenient because the biggest problem ordering online is obviously the size guessing. Revolution Dancewear offers dance shoes at an affordable price and there isn't any size guessing. If interested, ask your instructor for an order form and your child can try on the shoe after class is over. **All orders must be prepaid.** Please turn in your order form along with payment to your child's instructor.
